

FAQ

- **How much does a Mrs. B's Cake cost?**

Information on pricing is on our Menu however, in addition to tiered cakes being priced per person fondant cakes are also priced by design. Take a look at our [Menu](#) for additional information with regard to cake flavors and fillings.

- **How far in advance should I place my order?**

We are a custom shop and therefore all cakes are made to order which sometimes limits us to the number of cake orders we can handle within one week. We recommend that you order your cakes as far in advance as possible to ensure that your requested date will be available.

- **Can I sit down and speak to someone about my custom cake?**

Absolutely! We ask that you call in advance to schedule an appointment for a consultation. During your consultation we will discuss the design of your cake, so please bring any photo inspiration, invitations, swatches etc. that you would like to go over. Tastings are also available for a \$20 fee, which will be deducted from the final price of your cake when you place your order.

- **What if I just want a quote for a cake?**

In order for us to give you an accurate price quote without coming in to meet with us you would need to provide us with the following information through [email](#):

- The type of event
- The event date

- How many people you are looking to serve.
- What type of design you are looking for. Please feel free to send photos of designs you like.

Once we have received your information, you can expect a response within 24-48 hours on business days.

- **Do you have any cakes already made that I can pick up today?**

All of our cakes are made to order, so we do not have full size cakes for retail. We do carry mini cakes throughout the week that can be purchased at any time. Our mini cakes serve 1-2 people, so they're great for sharing and a way of tasting all of our flavors since they represent our full sized cakes.

- **Can you deliver my cake?**

We do deliver cakes that are 3 tiers and up throughout New Jersey and New York. Delivery fees are calculated by distance from the bakery.

- **What is your payment policy?**

A non-refundable deposit is required to secure your order. The remaining balance is due no later than 3 days before your cake is to be delivered. If you are picking up your cake, the balance may be paid at the time of pick up. We accept cash and all major credit cards.

- **We do not make gluten-free, sugar-free or eggless cakes.**

We are not a nut free facility but are careful not to cross contaminate. Please be sure to mention any allergy concerns.
